## Time to Vote

By Julie Pentis

Our March meeting is extremely important for those of you who may participate in CAHR next year. All four Executive Officer positions for the 2006-2007 school year are up for grabs! If you are at all interested,

please be prepared to briefly say something at our meeting about why you want the position and why you are the best

candidate. If you are unable to attend the meeting, but would still like to run, contact **Dr. Nancy Stone at [nstone@creighton.edu](mailto:nstone@creighton.edu)**.

Even if you are not a member yet, you are more than welcome to run for office. Please share this wonderful opportunity with your friends and invite them to participate.

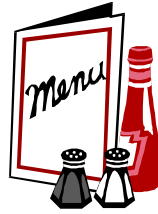

## From the President

By Jared Dennison

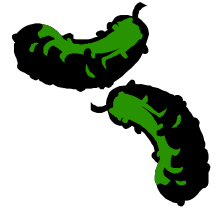

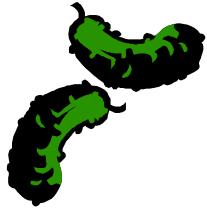

This month's speaker was Becky Golden, SPHR, Vice President of HR/ EEO/ Training at KIEWIT building Group Inc. She gave us some great tips on how to be successful in the application and interviewing process. A couple of tips that caught my attention were:

- § Don't put buzz words on your application
- § Get to know the business before going into the interview (search them on the internet).
- § Don't get stressed during the interview. They want to get to know who you really are.
- § Don't put what high school you attended on your application.

Becky gave each one of us her business card and said she would be more than happy to look over our resumes. She is going to be a great friend to have!
